

Report of Alumni Feedback on Institutional Ambience

IQAC of the college collected feedback on the ambience of the college from alumni through online mode. A questionnaire designed by the members of the IQAC was used for obtaining the responses of students at the undergraduate and postgraduate level. The questionnaire included questions regarding infrastructure of the college, peaceful learning atmosphere, exposure to cultural and co-curricular activities and opportunities for enhancing their intellectual capacity etc. The collected data was analysed and the findings are as follows:

A total of 393 responses were recorded from various students at undergraduate and postgraduate level.

88 percent of the students were satisfied with the physical infrastructure of the college, of which 30 percent rated it as excellent, 28 percent rated it as very good and 30 percent rated it as good. Less than 10 percent of the total students have the opinion that the physical infrastructure of the college is average. None of them rated it as below average.

93 percent of the students were happy with the learning atmosphere in college. About 33 percent of students strongly agree that the campus offers a peaceful learning atmosphere while 60 percent of the students agree with that.

89 percent of the students believe that the college ensures ample space and exposure to cultural and co-curricular activities. 57 percent of the students strongly agree and about 32 percent of the students agree with it. 86 percent of students are of the opinion that the college provides adequate opportunities for the enhancement of intellectual capacity of the students. Out of this, 60 percent of the students strongly agree with it while 26 percent of the students agree with it.

91 percent of the total students were happy with the overall ambience of the college. About 40 percent rated it as excellent, 31 percent rated it as very good and about 20 percent rated it as good. None of them rated it as below average.

The college considered the suggestions pointed out by the students for making the learning atmosphere and ambience of the college better and more peaceful.
