

Action Taken Report on Feedback on Curriculum

IQAC of the college collected feedback on curriculum from students, teachers, alumni and employers through online mode. The suggestions received from all the stakeholders were conveyed to the concerned Heads of the Departments. As the institution is an affiliated college under the University of Kerala, it follows the syllabus that is revised and implemented from time to time. The University of Kerala, to which the institution is affiliated, is redesigning the curriculum of all programmes towards Outcome Based Education. The curriculum redesigning process has unofficially commenced through whatsapp groups due to the hurdles posed by Covid 19 pandemic. Many of our Faculty members are actively involved in the restructuring process of the syllabus and serve as either members of the Board of studies or as invited members in the Board of Studies. They are actively involved in the curriculum revision process. The suggestions given by our stakeholders were voiced by the concerned teachers in the syllabus revision sessions and changes will be made accordingly. The effective implementation of the revised curriculum will come into force in the academic year 2023-24.

Considering the opinion of the stakeholders, the following measures were taken by the college:

1. More skill developing certificate courses were introduced.
2. ICT facilities and usage were enhanced.
3. Orientation on N-LIST and access to other digital resources was given to students.
4. Invited talks on career opportunities were conducted.
