

Report on Parents feedback on Institution

IQAC of the college collected feedback on the institution from Parents through online mode. A questionnaire designed by the members of the IQAC was used for obtaining the responses of parents. The questionnaire included questions regarding teaching, discipline, extracurricular activities, value based education, PTA, ambience, infrastructure, facilities, teaching and non-teaching staff.

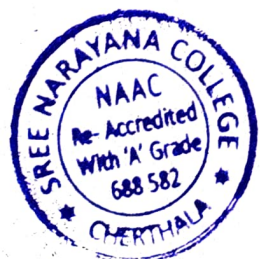

The collected data was analyzed and the findings are as follows:

A total of 332 responses were received from the parents of final year students.

91% of the parents responded positively to the quality of teaching. 42% commented it to be excellent, 33% very good and 18 % good. Only 2% were dissatisfied with the quality of teaching. Regarding discipline, 89% of parents who responded were satisfied. 35 % commented it to be excellent, 36 % rated it very good and 18% found it good. 90% of parents were happy with the institutions efforts in promoting the extracurricular abilities of their wards. A majority of the parents (92%) were satisfied with the value based education provided by the institution. 86% of the respondents were of opinion that PTA of the college is proactive. 15 % thinks there is scope for improvement. 90% of the parents responded that the atmosphere in the institution is encouraging students to think and act independently. The standard of facilities available to the students in the institution was satisfactory for 89% of the parents. 93% of parents were positive about the student-teacher relationship in the institution. The co-operation of non teaching staff was appreciated by 92% of the respondents. The rest room facilities were satisfactory to 78% of parents and the rest were of the opinion that the rest room facilities need improvement. 92% of parents believed that the institution has played a key role in the academic progress of the student. 20 % of the respondents had given suggestions for overall improvement of the institution.
